

## Flying Arrow Performance Horses, LLC

### AQHA/APHA BREEDING CONTRACT

This Agreement, made and entered into on this \_\_\_\_ day of \_\_\_\_\_, 20\_\_\_\_, by and between \_\_\_\_\_ hereinafter referred to as "Mare Owner" and Flying Arrow Performance Horses, LLC hereinafter referred to as "Stud Owner".

"Si Hollywood Star" 1999 sorrel AQHA stallion, will stand at stud for artificial insemination at a fee of \$650 during the 20\_\_\_\_ breeding season with Margie Jones DVM, Sturgis, South Dakota. The mare being (name) \_\_\_\_\_, registration # \_\_\_\_\_ with AQHA or APHA (circle one) (copy of said registration must be attached).

Now therefore, it is agreed as follows:

1. Upon receipt of contract and payment of \$100 booking fee, which is not refundable, stud owner does hereby reserve for the mare owner one season's booking for 20\_\_\_\_ to "Si Hollywood Star" for the above mare.
2. The balance of the breeding fee, \$550, will be paid when said mare is brought in for her first breeding.
3. The mare owner agrees to schedule with Dr. Margie Jones for artificial insemination or shipped semen and pay any fees required for this procedure and mare care as appropriate. The mare owner is responsible for contacting Dr. Jones at (605) 347-3606 prior to the desired breeding cycle. The mare owner agrees to follow any requirements of the breeding facility.
4. The stud owner agrees to have "Si Hollywood Star" available for collection at the desired time.
5. A live foal guarantee is offered if the mare owner can provide proof of conception by a qualified veterinarian at 18 days and 45 days after last breeding if no foal results from this breeding. Otherwise the live foal guarantee is null and void. It is recommended that said mare be given pneumobort shots at 5, 7, and 9 months after conception. A live foal shall be one that stands and nurses without assistance. Proof that foal did not stand and nurse must be evidenced by a written statement from a qualified veterinarian within one (1) week from death. The live foal guarantee shall be null and void without documentation from a qualified veterinarian and if such documentation is not produced by mare owner at time of return breeding.

6. The stud owner guarantees to a return breeding during the following breeding season provided the stallion is able to service said mare, or an approved substitute mare, should a live foal not result from this mating (as agreed to in #5). The mare owner is responsible for any fees incurred (as agreed to in #3). In the event said stallion is not able to re-service said mare, the stud owner may offer a substitute stallion or a live baby at sale price minus stud fee at mare owner's option.
7. The stud owner offers a full refund of the \$650 breeding fee to the mare owner, if the resulting foal from this mating comes to obtain a ROM (register of merit) in an event from AQHA OR APHA.
8. It is understood and agreed that should said stallion die or become unfit for breeding before said mare settles or should said mare die or become unfit for breeding before June 30 of this breeding year, this contract shall become null and void and only the breeding fee minus the booking fee shall be refunded.
9. It is understood and agreed that should said stallion die or become unfit for breeding or should said mare die or become unfit for breeding on or after June 30 of this breeding year, this contract shall become null and void and no fees shall be refunded to the mare owner

This contract shall not be assigned or transferred by either party without the consent of the other. If said mare is to be re-bred and the mare owner fails to deliver her for breeding during the following year, then any and all fees paid shall not be refundable and this contract is hereby cancelled.

## BREEDING CONTRACT ADDENDUM

Breeding facility: Northern Hills Veterinary Clinic (NHVC)  
Margie Jones DVM  
713 Anna Street  
Sturgis, South Dakota 57785  
(605) 347-3606

1. The mare owner agrees to contact the breeding facility at least 30 days prior to desired breeding cycle to set up appointment and discuss necessary requirements for said mare and any fees to be expected.
2. Said mare needs to be free from infectious disease, contagious or transmissible disease, and up to date on all shots including rhino and strangles.
3. Mares not halter broke will not be accepted. Facility reserves the right to refuse any mare not in satisfactory condition.
4. The facility agrees to provide suitable facilities for the care of mare and/or foal while at the facility. The veterinarian will exercise judgment consistent with the recognized standards in care and supervision of mare and/or foal. The veterinarian will examine said mare for normal breeding conditions and administer medical care as deemed necessary for the health and safety of said mare and/or foal.
5. The mare owner agrees to pay all fees incurred prior to removing said mare from the facility premises. Any questions regarding fees should be discussed prior the said mare's arrival to facility.
6. Shipped Semen: Notification of need for shipped semen **must** be made **24 hours prior** to semen needing to be shipped. All collection and shipping fees must be paid prior to shipment of semen. A deposit will be required on shipping container and will be refunded on return of said container. The container should be returned by standard overnight or second day air service. If not returned by fourth (4<sup>th</sup>) day, a penalty of \$50 per day will apply. The deposit will be refunded once NHVC is notified that said mare is in foal and mare owner account is in good standing. All fees applied to re-breeding of said mare for next season's breeding due to live foal guarantees.
